

PROJEXEL ENGINEERING

Integrated EPC Solutions

WHERE EXCELLENCE MEETS EVERY PROJECT

Your trusted partner for comprehensive Engineering Solutions and Steel Fabrication services. Delivering high-quality, innovative solutions across **Water & Wastewater, Oil and Gas, Chemical, Pharmaceutical, Infrastructure, Textiles, and FMCG sectors.**

A background image of an industrial facility, likely a refinery or chemical plant, featuring several tall distillation columns and complex piping structures under a clear sky.

About Us

Who We Are

Projexel Engineering is at the forefront of engineering excellence, providing comprehensive Engineering Solutions and Steel Fabrication services. With over 10 years of experience and a team of skilled professionals, we specialize in offering end-to-end Mechanical & Electrical Turnkey Project services and Steel Fabrication solutions that meet the unique needs of our clients.

12+

Years of
Experience

40+

Turnkey
Projects Delivered

15+

Fabrication
Projects Completed

Our Mission

To Become a Globally Recognized Engineering Services Provider, Dedicated To Delivering Superior Mechanical & Electrical Turnkey Solutions And Fabrication Services. We Are Committed To Delivering Excellence In Every Project, With a Focus On Quality, Safety, And Customer Service, Which Underpins Long-Term Client Relationships And Continuous Improvement.

Our Vision

To Be The Global Leader In Delivering Innovative, Sustainable, And High-Quality Engineering Solutions, Setting The Benchmark For Excellence And Reliability In The Mechanical & Electrical Turnkey Projects And Fabrication Services Industry.

End-to-End Delivery Solutions

From initial design to final commissioning, we provide comprehensive turnkey project management that ensures seamless execution, quality control, and timely delivery across all project phases.

Our Capabilities

Turnkey Project Services (Mechanical & Fabrication)

PROJEXEL ENGINEERING

Integrated EPC Solutions

Mechanical

- Plant & Equipment Installation
- Pumping Stations
- Piping Systems
- Equipment Erection

Fabrication Services

- Heavy Equipment's Fabrication
- Tailored Steel Fabrication Services
- Industrial shades
- Pre Engineering Building System

Mechanical Services

We deliver comprehensive mechanical solutions tailored for industrial and infrastructure projects. Our expertise covers end-to-end execution—from installation to commissioning—ensuring efficiency, precision, and reliability.

- Plant & Equipment Installation With Strict Adherence To Safety And Quality Standards
- Pumping Station Setup Including Alignment, Testing, And Commissioning
- Industrial Piping Systems (MS, SS, HDPE, Etc.) With Complete Routing and Support Solutions
- Equipment Erection With Advanced Tools And Experienced Manpower

Fabrication Services

Our fabrication division specializes in high-quality, precision-engineered steel and heavy equipment fabrication, customized to meet project-specific requirements.

- Heavy Equipment Fabrication With Robust Structural Integrity
- Tailor-Made Steel Fabrication As Per Drawings And Client Specifications
- Industrial Sheds And Structural Frameworks
- Pre-Engineered Building (PEB) Solutions With Optimized Design And Execution

PROJEXEL ENGINEERING

Integrated EPC Solutions

Our Capabilities

Turnkey Project Services (Electrical & Instrumentation)

PROJEXEL ENGINEERING

Integrated EPC Solutions

Electrical

- › Sub Station Installation
- › HT LT and Control Panels
- › Cabling & Terminations
- › Testing & Automation
- › Lighting Systems

Instrumentation

- › Instruments Erection
- › Cabling & Termination
- › Testing & Calibration
- › Control Systems
- › SCADA Integration

Electrical Services

End-To-End Electrical Solutions Including Substations, Panels, Cabling, And Automation Ensuring Safe, Efficient, And Reliable Operations.

- Substation Installation
- HT/LT & Control Panels
- Cabling & Terminations
- Testing & Automation
- Lighting Systems

Instrumentation Services

Precision-Driven Instrumentation Solutions Covering Erection, Calibration, And Control Systems—Enabling Accurate Monitoring And Seamless Automation.

- Instrument Erection
- Cabling & Termination
- Testing & Calibration
- Control Systems
- SCADA Integration

PROJEXEL ENGINEERING

Integrated EPC Solutions

Why Choose Projexel

What Sets Us Apart

PROJEXEL ENGINEERING

Integrated EPC Solutions

High Level of Commitment

Dedicated To Project Success
With Unwavering Focus On Quality
And Timelines

Swift Response

Quick Turnaround Times And
Responsive Communication
Throughout The Project

Optimum Design

Engineered Solutions That
Maximize Efficiency And Minimize
Costs

End-to-End Services

We Support You At Every Step —
From Planning To Execution And
Beyond

Result Oriented Approach

Focus On Delivering Measurable
Outcomes And Project Success

Timely Delivery

Consistent Track Record Of On-
Time Project Completion

Our Portfolio of Excellence

1. Gujarat Guardian Limited

 Ankleshwer, Gujarat  Ankleshwer, Gujarat

Project: Reverse Osmosis (RO), Effluent Treatment Plant (ETP), And Zero Liquid Discharge (ZLD)

Work Description: Mechanical Equipment Erection, Piping & Fabrication

2. JSW Steel Limited

 Bellary, Karnataka  Thermax Ltd.

Project: 250 KL Soft Water Tank Fabrication

Work Description: Tank Fabrication, Painting, Shifting And Erection Work

3. JSW Steel Ltd.

 Bellary, Karnataka  Thermax Ltd.

Project: Old Clarifier Dismantling & New Erection And Tertiary System

Work Description: Mechanical Equipment Erection, Piping, Fabrication And Electrical Works

4. Atul Ltd. (Valsad)

 Valsad, Gujarat  Praj industries Ltd.

Project: ETP/ZLD Plant

Work Description: Electrical Power Distribution, Instrumentation & Control System

Our Portfolio of Excellence

5. Atul Ltd.

 Valsad, Gujarat  Arvind Envisol Ltd.

Project: RO/DM Plant

Work Description: **Electrical Power Distribution, Instrumentation & Control System**

6. Arvind Mill Ltd

 Santej, Gujarat  Arvind Envisol Ltd.

Project: ATFD

Work Description: **Fabrication Of ATFD Structure & Erection Of ATFD With Piping And Electrical Works.**

7. HCCB Ltd.- Coca Cola

 Sanand, Gujarat  Praj Industries Ltd

Project: ETP Plant

Work Description: **Electrical Power Distribution, Instrumentation & Control System**

8. Adani Wilmar Ltd.

 Neemuch, Madhya Pradesh  Arvind Envisol Ltd.

Project: ETP Plant

Work Description: **Mechanical Equipment Erection, Piping, Fabrication And Electrical Works**

Our Portfolio of Excellence

9. Willowood Industries Ltd

 Dahej, Gujarat  Praj Industries Ltd.

Project: RO/DM, ETP & ZLD Plant

Work Description: Mechanical Equipment Erection, Piping, Fabrication And Electrical Power Distribution, Instrumentation & Control System & Fabrication Of Piping & Electrical Support Work.

10. Suzuki motor gujrat Pvt Ltd

 Bahuchraji gujrat  Toshiba water ltd

Project : Electrical & Instrumentation

Work Description: Electrical Power Distribution, Instrumentation & Control System

11. MRF tyre

 Pondicherry  Mazda Ltd.

Project : PEB Structure

Work Description: Supply, Fabrication & Erection Of PEB Structure For MEE Plant

12. Amul Dairy

 Anand  Amul

Project : Mechanical & Fabrication ARC

Work Description: Mechanical Equipment Erection, Piping & Fabrication

Our Portfolio of Excellence

13. Amul Dairy

 Anand  Amul

Project : **Electrical & Instrumentation ARC**

Work Description: **Electrical Power Distribution,
Instrumentation & Control System**

14. Deepak Fertilizer

 Dahej  Praj industries Ltd

Project : **Electrical & Instrumentation**

Work Description: **Electrical Power Distribution,
Instrumentation & Control System**
